Leflaives have been extant in Puligny since 1717. However it was under the stewardship of Anne-Claude between 1990 and 2015 that the domaine became a leader in Burgundy's biodynamic movement. Domaine Leflaive's latest venture Esprit Leflaive, a niche négociant business, was launched in London at Scott's Restaurant
The estate is now being managed by Brice de la Morandiere with the winemaking under the control of Pierre Vincent

Chateau d'Yquem is often described as the greatest sweet wine in the world. The famous estate was family run for more than 200 years until 1996, when the luxury giant LVMH acquired the majority stake, Alexander de Lur-Saluze remained the managing director until 2004.

Since the year after the new operation director is Pierre Lurton, who is also in charge of Chateau Cheval Blanc

Yquem is located on the highest hill in Sauternes and enjoys the best growing conditions in the whole appellation. Intensely opulent when young, Yquem develops an extraordinary complexity and exotic richness when fully mature, with the best vintages lasting for over 50 years.
